it's hugely valuable."*

*"I think it's a phenomenal resource for  
law enforcement. We use it all the time,  
it's probably something we take  
for granted."*

*"I'm on the Toolbox frequently. It's kinda like a security blanket. I have my process and how I do things and how I get the records. I know I can always fall back to the Toolbox and see what else I can find. We were able to get the data from a car for a case."*
